<b>Gate Code If Applicable</b>
--------------------------------

Weekly cleaning service does not include repairs to, or replacement of, equipment and/or parts or removal of calcium deposits, any phosphate remover, algaecide, or any other chemicals beyond the above full service outlined to the right. If the tech cannot service your pool for any reasons listed above under "homeowner obligations" you are still responsible for the week. Obligation include: fill water, empty baskets, ensure equipment is on and running and provide unlocked gate or gate code.

Service is billed prior to work. Payment terms are "Due by the 3rd." By signing the Agreement, the customer is responsible for current and past due accounts. If payment is not paid upon due date a late fee will be charged of 25.00 of balance due. Service will automatically be suspended on any account that is outstanding past the 15th each month until payment is received in full. Customers are also responsible for NSF check; there will be a NSF charge of 35.00 per each NSF. If payment is not made and account has to be placed into collections the customer is responsible to pay all collection fee and any fees associated with collections including but not limited to any and all Attorney & Court Cost. If we have a Credit Card on file, it will be ran for unpaid bill before collections.

*This is an annual contract. If client cancels prior to 1 yr anniversary of inception date, the client will be billed for remaining annual amount per this agreement*

(This agreement is for weekly cleaning/chemical service only) Cleaning fees are charged per month, and billed at the beginning of the month unless annual prepay discount has been selected. Please note that in the case of inclement or severe weather the pool will be postponed until the following week. In case of holiday weekday, pools will be postponed to the following week. This is price for 4 weeks in 1 given month. You are receiving the 5th week free to cover holidays and bad weather. Weekly time is up to 45 min per clean. If you need additional please ask and it will be charge per hour. If you have a painted pool, Swim Carefree, LLC is not responsible for any damages done to the paint of the pool. Swim Carefree also repairs/adds any extra necessary chemicals if need as long as it cost under 50.00 to keep your pool maintained properly.
